UC CHAMPIONSHIP ROUND SEVEN: 1st XV v Ashburton College

With the sun shining, the crowd gathering and the CTV cameras rolling, Rangiora High hosted rivals Ashburton College. Face to face hakas highlighted the passion both teams had brought to this traditional encounter, but it was Ashburton who started the game with the first points.

The first ten minutes were played at a fast pace, but it was a simple passing move from a tap penalty that allowed an Ashburton midfielder to bust a tackle close to the line and score. A similar defensive lapse further out soon

followed and the Ashburton first five was allowed to step through a slow reacting Rangiora cover defense for the visitor's second try. Not an ideal start for the home side at 12 points behind.

Some attacking play from Rangiora spurred the team on and repeated penalties ended when a quick tap by captain, Jordan Gray had him scoring near the left upright (*pictured above*). The conversion by Patrick McCallum cut the deficit further. Another attacking move out wide saw Jayden Pearce free to run, and good support saw Kerran Jenkins diving in at the corner (*pictured left*). McCallum's sideline conversion, and a handy penalty soon after had the local side ahead 17-12 at half time. This reflected the turn-around in the dominance up front and their strength out wide.

Rangiora returned just as motivated after the break. More possession allowed them to continue the pressure on the Ashburton line,

which was rewarded with a bullocking try for Josh Duckworth after another quick tap, this time from Harley Robinson. Second half substitutions from both sides took some time to settle and Ashburton forwards came back strongly. With little to lose, they threw the ball around a lot more and a break from deep in their half had Ashburton fullback finish off with a good try. At 24-17, the next team to score was very significant to the outcome.

Fortunately for the local supporters, Robinson responded first with a try from another pick'n'go situation. This was followed with some good vision from Gray and Jenkins scored again after chasing delicate box kick into space. This gave Rangiora a handy lead with little more than 10 minutes remaining.

The Mid Canterbury side did manage to score again late in the match, when good support play from their lock and captain rewarded him for a solid performance.

For Rangiora, Louis James, Robinson and Naaria Wilson-Bairds were tireless for Rangiora. Wilson-Bairds played himself to a standstill, and was strong on the kick-off receipts. Gray and McCallum *(pictured below)* continued the development of their inside combination by controlling play well, along with Jenkins' outside them in his twelfth 'cap' game. Out wider, Travel Tuaputa was again dangerous with ball in hand and Bailey Mechen tackled very well.

1st XV Dinner and Auction

Thanks to all those who supported the 1st XV Dinner and Auction on Saturday night. Over 230 people attended this annual event, held for the first time at the Kaiapoi Club, and MC'ed by Andrew Gebbie. We were extremely lucky to have Mike Cron as guest speaker, and he did a wonderful job of answering the questions put to him by Brian Hays, and also giving the boys some words of wisdom.

The major auction prize was a Cook Islands holiday package, kindly supported by the Edgewater Resort and Spa, Air Rarotonga and Captain Tama's Lagoon Cruises. This package was won by Rob and Jillian Yates, long-time sponsors of the 1st XV. Rob is pictured below on stage with Tamatoa Tangimetua, Strickland Tangimetua and Travel Tuaputa. Befoe auctioning off the holiday package, Strickland entertained the audience with his rendition of "Roimata" while Tamatoa and Travel acted out the song.

Thanks to the auctioneer Mark Woods from Peter Walsh & Associates (*pictured right*).

The boys did the school haka to thank Mike Cron.
